

First Grade School Supply List

Below are my recommendations, and suggested changes to the West Ada school supply list. Thank you for helping your child have a successful year by having the tools they need!

Please label the items with an asterisk* with your child's name.

- #2 pencils, sharpened (24 pencils, Ticonderoga last the longest)
- water color paints (Crayola last the longest)*
- ~~earbud~~/head phones (ear buds are very difficult for first graders, I recommend head phones)*
- crayons (one 24 pack, Crayola last the longest)
- scissors*
- large pink eraser*
- large glue sticks (we always run out of these during the year)
- white school glue (1 bottle)
- multi-color markers (10 pack of large markers, we use these only for special projects)
- dry erase markers (1 marker)*
- ~~colored pencils~~ (we don't use these)
- wide ruled composition notebook (spiral notebooks work better for first graders)*
- (2 pocket) folder (we will use these daily for home communication, the plastic poly kind with 3 prongs work the best)*
- highlighter*
- pencil box (I added this to hold glue, extra pencils, etc.)*
- tissues (I added this because we use a lot!)
