PRINCIPAL'S CORNER

Welcome to the 2019-2020 school year. It seems like just a short time has gone by since I started at Joplin, but this is already the start of year 3 for me. We are happy to see so many returning faces and look forward to getting to know all of our new families. There are a number of ways to help out around the school for those who are interested, from volunteering in a class or in the library, to helping with our Parent Teacher Organization (PTO). We welcome any and all parents to help in whatever way you can. If helping isn't your thing, no worries, we would be happy just to see you at our events throughout the year. You can stay up on school events through our website, Facebook, or newsletter.

As we start this school year, I have to give recognition to two of our Joplin families and all of their friends who have made our school look great for the start of a new year. The Jensen family and friends completed the repainting of the three playgrounds as an Eagle Scout project over the summer. The McOmber family and friends were responsible for the repainting of the front entry as you walk into Joplin as an Eagle Scout project as well. Thank you so much to these families and community members for helping to improve the experience as we all come through the door each day at Joplin.

As always, I look forward to helping your experience be the best it can be here at Joplin, so feel free to reach out at any time. See you all around the school.

Joplin PTO

Welcome back families to another great year at Joplin. We are looking for your support for a number of events throughout the year, starting with our Fall Carnival on September 27th. We would like strong participation in this family event, as it is our major fundraiser for the year and provides for a number of items throughout the school year. The BBQ will start at 5:30 PM with carnival games starting at 6:00 PM. As school rolls forward we will make further announcements of how you can be involved in supporting our school.
