

**PowerSchool is the district's online student information system.
PowerSchool provides a way for parents and students to track attendance,
grades and class schedules.**

Signing In To PowerSchool

PowerSchool can be accessed from the link at the top of any West Ada School District website.

<https://ps.westada.org/public/home.html>

You will be prompted to enter your Username and Password.

To access PowerSchool, you will need to establish an account.

- To create an account, you must know your student's **Access ID** and **Access Password**.
- The ID and Password can be obtained from the main office of your student's school.
- Click on the Create Account Button

Create Parent/Guardian Account

This page allows parents/guardians to establish their own parent/guardian account. All fields in this section are required.

- First Name
- Last Name
- Email
- Desired User Name
- Password
- Re-enter password
(Password must be at least 6 characters)

The **Link Students to Account** section establishes your student's information.

- Student Name
- Access ID
- Access Password
- Relationship

***NOTE: Access ID is case sensitive.**

Complete these fields for all the students you have in the West Ada School District. Once you are done, click the **Enter** button.

On the Sign In screen, enter the newly created **User Name** and **Password**. Click **Submit**.

Navigating In PowerSchool

After logging in, you will see a navigation bar on the **left side** of the screen.

Please ignore the numerical score next to the assignment entry. This information is only a place holder in the program and NOT the actual score of an assignment. The actual proficiency level will be displayed with the attached standard.

Comments and Descriptions for Specific Assignments:

An icon will appear next to the “standards view” icon if there is a description for the assignment. If there is a comment on a specific assignment, the comment box will appear next to the score placeholder. To see the description or comment that was attached to the assignment, select the “View” link to the right-hand side. A dialogue box will appear with any information that was added for that assignment.

Although the “view” option is always present, there will only be information displayed when a description or comment is added for a specific assignment. **Tabs** in the “view” box will also only appear if a comment or description was added for the assignment.
