**Preparing Today’s Students for Tomorrow’s Challenges**

Encourage respectful, responsible, and productive students capable of adapting to a changing diverse world.
Mustangs ROCK! We have the POWER to learn!

2019-20 School Year Preparation

In preparation for the next school year, we would like to request your help in solidifying our class counts. If you know you will be moving/relocating, or if your child is attending a different school next year, please contact the office to let us know. This information helps us in planning student counts for each grade level and staffing needs.

Yearbook Sales

If you pre-ordered a yearbook for your student in March, their yearbook will be delivered to their teacher (tentatively) on May 29th or 30th.

If you’d like to purchase a yearbook, we will have a limited quantity available in the office (before school and during recess) for sale the last week of school. The price is $13.00, with cash being the preferred payment method.

FUN IN THE SUN!

At Eagle Hills Elementary we recognize the importance of sun safety to prevent childhood sunburns and promote health in later years. With summer on the way and our outdoor field day on Wednesday we would like to remind you:

- Send your child to school with sunscreen already applied. Be sure to use a sunscreen with an SPF of at least 15.

- Students may wear hats when outside on field day.

- Have your student dress to protect the skin from exposure.

The school/teachers do not provide or apply sunscreen for students and students are not allowed to share sunscreen with other students due to potential skin sensitivities.
