Please join us for a picnic lunch on the last day of school! **Bring lunch and a blanket, and meet your child(ren) for lunch at the Classroom to check your child out first.** After that you can proceed to the proper playground. When you have finished lunch, you may take your child/children home with you. If your child is leaving with another adult, other than a parent, your child's teacher will need a signed note stating who the child is authorized to leave with. We will NOT be allowing students to make phone calls to arrange to go home with someone else that day! It is very important that any alternative arrangements be made prior to Thursday the 13th and a signed note detailing the arrangements be given to your child's teacher!!! Hope to see you there!
