

Meridian Middle School Athletics will be using REMIND to communicate reminders, announcements and notifications to athletes and parents. Coaches will be able to send messages straight to any phone, including flip phones, or email.

REMIND is a free messaging service that helps coaches/teachers, athletes/students and parents communicate quickly and efficiently. Messages are sent in real time to the team/class, a small group, or just a single person. Each parent and/or athlete will be able to receive messages by creating an account and adding a team/class.
