

“Achiever”

Set to Tune of “Believer” by Imagine Dragons

First things first

I'mma say all the words inside my head

I'm fired up and shaking up

the way that things have been, oh ooh

The way that things have been, oh ooh

Second things second

Don't you tell me what you think that I can score

I'm the one at the test, I'm the master of my score, oh ooh

The master of my score, oh ooh

I've been tested from a young age

Taking my failures and my passes

Clickin' my answers for the tests

I studied for, learning more, prepping for

Singing through hand aches causing pain

I've got the knowledge in my veins

Absorbing the content in my brain

Seeing achievement through the....

ISAT GAIN!!!

You made me an, you made me an achiever, achiever, GAIN!!!

You analyze, you summarize, achiever, achiever, GAIN!!!

Oh let the questions fly, oh let them rain

My work, my aim, my drive it's all for.... (ISAT) GAIN!!!

You made me an, you made an achiever, achiever

Third things third

It's the doubts that I'm getting rid of

All the fear, keeps you from progress you're deserving of, oh,

ooh

Don't doubt, you'll rise above, oh ooh

I'm a learner in the crowd

Building my knowledge, I'm so proud

Preppin to be college bound

Hoping my future will astound

But I've gotta try, hopes are high, workin and knowin

Exhibited, edited

Till I corrected and rebound

And rebound, for....

ISAT GAIN!!!

You made me an, you made me an achiever, achiever, GAIN!!!

You analyze, you summarize, achiever, achiever, GAIN!!!

Oh let the knowledge fly, oh let it rain

My work, my aim, my drive it's all for.... (ISAT) GAIN!!!

You made me an, you made an achiever, achiever

Last things last

By the help of my teachers, and my gains

I'm the face of the future, the knowledge in my brain, oh ooh

The knowledge in my brain, oh ooh

But I've gotta try, hopes are high, working and knowing

Exhibited, edited

Till I corrected and rebound

And rebound, for....

ISAT GAIN!!!

You made me an, you made me an achiever, achiever

GAIN!!!

You analyze, you summarize, achiever, achiever

GAIN!!!

Oh let the knowledge fly, oh let it rain

My work, my aim, my drive it's all for....

(ISAT) GAIN!!!

You made me an, you made an achiever, achiever
