

It is time to begin getting ready for the 2019-20 School Year. Since you are receiving this, your student is already enrolled and has completed course requests. We will be sending notifications regularly between now and the start of school so that we are prepared for the year. Please read all materials in full.

*****If you received this email and your student will not be attending LCMS, please contact Michelle L Allen, our registrar, to unenroll your student. (allen.michelleL@westada.org) *****

Important Information:

August 8 - 6pm Parent Meeting for fall sports - Cross Country, Volleyball, Football and Cheer

August 15 – Schedules: You received an email from West Ada School District stating that schedules in Power Schools are available for viewing if you have completed the updated demographic information in Power School parent. Please note that while you may see a schedule, **schedules are not final until August 15**. Counselors are beginning the process of balancing class sizes and making other necessary changes. Please plan to check PowerSchool on August 15 to see the finalized schedule. If there are problems at that time, that is when it would be appropriate to contact counselors.

August 15 – **Computer Labs** open at school for completing Registration Process steps (4:00-7:00). *This is only needed if you don't have access to a computer at home or if you need assistance with any step of the process. We will not be able to offer one-on-one help with the Registration steps over the phone.* Directions for completing Registration will be sent out the week of August 5. Please go into Power School Parent and update your demographic information so you are prepared to complete registration steps.

August 15 **Registration steps should be completed**. Registration steps have been sent – Note: You must update PowerSchool demographic information by logging in to your Power School Parent account and selecting the "Update Demographics". There will be a 24 hour window before other PowerSchool functions are available.

August 19 – **6th Grade/New Student Orientation at 9:00** – 6th grade students and parents can come in for a short welcome assembly and a self-guided tour (Passport to LCMS). ** Students can walk through their schedule, visit the cafeteria and library, and practice using their locker. This is a good time to leave supplies in the locker (please note that locker decorations – mirrors, stickers, baskets, magnets - make it difficult for students to use their locker effectively).

DATES AND TIMES the school will be open. The building will be closed at times due to staff meetings and work time. If you are wishing to come to the school to check your locker or find your classes, please note the dates and times that the building will be open.

August 15 8:00-7:00

August 16 8:00-3:30

August 19 1:00-3:30

August 20 1:00-3:30

August 21 1:00-3:30

August 26 – **First Day of school** – Full Day. Students will receive a printed copy of their schedule in their Advisory class.

September 6 - Picture Day

Supply List The suggested school supply list is available on our website at www.westada.org/lcms

Parking Lot: See the attached parking lot map so you can familiarize yourself with the traffic flow. Please never stop in the traffic lanes in the parking lot, in the parking lot entrance and on Pine Street as it causes safety concerns for students and other vehicles. Always pull fully into the lot and if the drop off lanes are full, please park in a designated parking spot so that you are not blocking lanes of traffic or designated parking spots.

Continue to watch your email and our website for additional information as we get closer to the start of the school year.

We look forward to a great year.
