

Name _____

1. Ned had 3 books. If he got 7 more at the book sale, how many books would he have? Write an equation.

2. 8 birds were sitting on a fence. 2 birds flew away. How many birds are still sitting on the fence? Write an equation.

$$2 + 2 = \underline{\hspace{2cm}}$$

$$7 - 1 = \underline{\hspace{2cm}}$$

$$3 + 4 = \underline{\hspace{2cm}}$$

$$9 - 4 = \underline{\hspace{2cm}}$$
