

To Update your student's demographic information please log in to your PowerSchool parent account by going to [ps.westada.org/public](https://ps.westada.org/public) or go to [westada.org](https://westada.org) and click on the **A+ PowerSchool** link at the top of the page.

The image shows the PowerSchool login and account creation interface. At the top, the 'PowerSchool' logo is displayed in a large, blue, sans-serif font. Below the logo, the page is divided into two main sections. The upper section is titled 'Parent Sign In' in bold blue text. To the right of this title, a red instruction reads 'Sign in here with your parent username and password'. Below this, there are two input fields: 'Username' and 'Password', each with a red arrow pointing to its respective field. A blue 'Sign In' button is positioned to the right of the password field. Below the sign-in section, there is a link that says 'Having trouble signing in?'. The lower section is titled 'Create an Account' in bold blue text. It contains a paragraph of text explaining the benefits of a parent account and includes a blue 'Create Account' button at the bottom right.

If you have forgotten your username or password you can contact the school to get that information, please do not set up another account.

Click on the Available Forms to update your student’s information. If this option is not available under Completed Forms, you have already updated that student’s information and will have to call the school to have them update the information that has recently changed in PowerSchool.

## Students & Forms

To add a new transfer student to the system, click "Add Student" from the menu above.

Please click on each form listed next to each student and complete.

Student	School	Grade	Available Forms	Completed Forms

You need to have all your students that attend the West Ada School district attached to your PowerSchool parent account. If they are not, please contact the school the missing student attends and ask them for the Guardian Access ID and Password. You can then add them to your account or the school can do it.
