

# 2017 Walkathon & Family Social

## Seven Oaks Elementary School

### Eagle, Idaho

Dear \_\_\_\_\_,

My school's 20th annual Walkathon is coming up on Friday, June 9th! It is our last major fundraiser and family event for the year. This schoolwide community effort raises money to help offer curricular and educational enhancement programs at Seven Oaks Elementary.

Our goal this year is to raise money to support our Science & Engineering Club, our Writers in the School program, and our fine arts curriculum, among other fine programs.

Please help us support our school by sponsoring me as I walk as many laps as I can. Every little bit helps! Thank you!!
