

## Summerwind Chicks Program Will Begin in February!!!

The Summerwind Chicks Program will begin in February and the staff of Summerwind is getting ready to welcome children who will be entering kindergarten this fall (September 2020) and their parents. The children are invited to come to school for once a month for an hour, and participate in small group activities with their parents and with other children. The purpose of the program is to help these future students make a successful transition to our school and its routines.

We have four theme based sessions that address the special needs of children facing their first school experience. The sessions include things parents need to know to help their children achieve academic success, including visits with the school specialists, along with literacy and math curriculum. The last session will teach children how to ride to school safely with Buster Bus. Each child will receive learning activities to use at home and a healthy snack at the celebration.

The program meets on the following dates:

Friday, February 7 – 9:30-10:30 . . . . . PE & Music Activities

Friday, March 6 – 9:30-10:30. . . Math, Literacy & Library Activities

Friday, April 24 – 9:00-3:00. . . Registration & Screening

Friday, May 8 – 9:30-10:30 . . . . Buster Bus & Celebration

**If you and your child would like to participate in this program, please fill out the bottom portion of this flyer and return it to Summerwind STEM Academy by February 5th or you may call Summerwind at 350-4315 and leave your name and information at the office. Please pass this information on to anyone you know with a child who will be turning 5 years old on or before September 1, 2020 and who will be attending kindergarten at Summerwind in the fall. Thank you!**
