

## Research Essay Prewriting in OneNote - Reassessment Instructions

**Materials:** Refer to the “Research Essay Prewriting in OneNote” form in this folder. Also, refer to the “Research Essay” overview in this folder which addresses the project in its entirety.

**Directions:** Create a Word Document that lists your three research questions each followed by your proposed answer. Add “Q1” and “A1” prior to each question and answer for the first set and continue with the pattern throughout. Copy and paste your Prewriting Questions & Answers into OneNote in the Classwork tab entitled “11<sup>th</sup> Bay Prewriting Questions”.

**Turn in:** Save this Word Document and email it to me as an attachment. Indicate in your email that you have also completed your project in OneNote so I can grade it there. Make sure to include the assessment title and your class period in the subject.
