

Accessing Naviance from Home

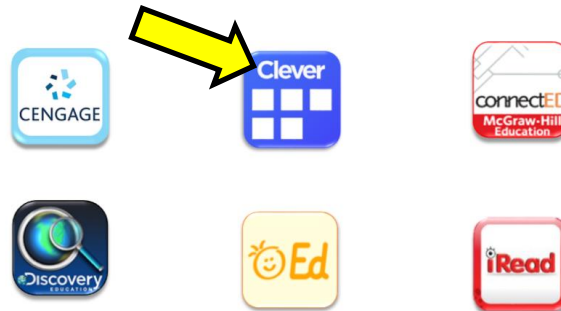

1. Go to www.westada.org >> **Parents and Students** >> **Educational Apps**
2. Click on **Clever**

Educational Apps

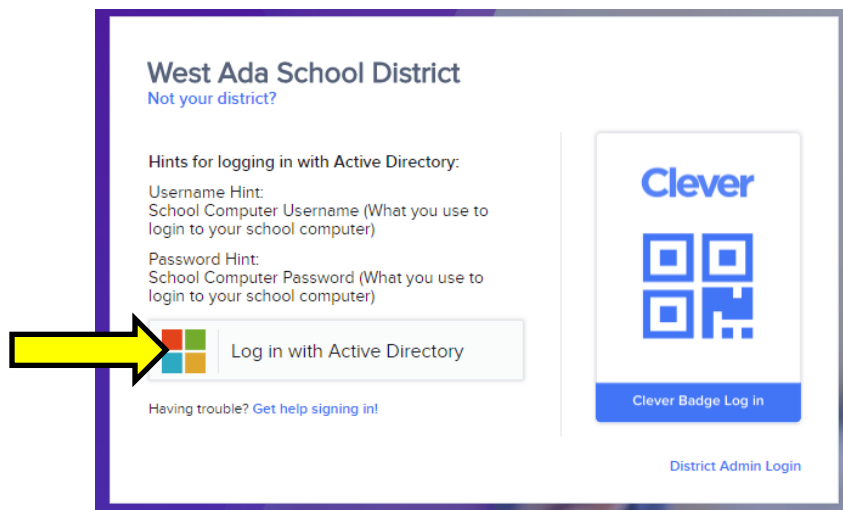

The icons listed below are links to some of the programs that students use at school and are available for student use at home.

Please note that not all students will have access to all apps. Some of these apps will be used by specific grades, courses and schools. Your teacher will provide information as to which apps your student is using.

[Click here](#) for detailed information about these programs and student usage as it relates to COPPA guidelines.

3. **Log in with Active Directory**

4. Student Logs in with school username and password
5. Click on **Naviance** App
6. Welcome to **Naviance!**
