

Optional Educational ONLINE Resources

Optional online Educational Resources are available during the school year and while students are away from school. These resources are considered supplemental and not required or used for grading purpose.

Math

- 30 minutes daily
- Make sure your student is passing lessons, not just playing games
- Lessons are at your child's level based on their **Winter Benchmark Assessment**
- Classroom Teachers monitor weekly minutes and can adjust levels and see learning progression

- Go to westada.org and click on Parents and Students.
- Click on [Educational Apps](#). Click on Clever.
- Your student's username is the same as their school computer login with [@westada.org at the end](#). Their password is the same as their school password.

Reading

- KINDERGARTEN

- Login with the same username and password as iReady

- Join EPIC for FREE PK - 5
- Thousands of Online Books!

- <https://www.getepic.com/>

- Reading Instruction at your child's level K-3
- Provided by Idaho State Department of Education
- [Click Here for At Home Use Instructions](#)

- Go to westada.org and click on Parents and Students.
- Click on [Educational Apps](#). Click on Clever.
- Your student's username is the same as their school computer login with [@westada.org at the end](#). Their password is the same as their school password.
