**Thank you for your generous support of our Book Fair in March. Your commitment to helping our library grow is sincerely appreciated. Proceeds will go to purchasing new books for our students to check out and enjoy.**

*ISAT Testing will begin soon. Check with your child's teacher on the exact dates.*

- *ISAT measures a student's skill and competence in the areas of English Language Arts/literacy and Mathematics. It is the yardstick that teachers, schools, school districts and states use to measure what and how they teach along with how well students are learning what is taught.*
- *Please make sure that your child gets a good night's sleep before testing and that they start the day with a healthy breakfast.*
- *Share with your child the importance of taking the test seriously and doing their personal best.*

## Lost and Found

As the weather gets warmer, students wear jackets in the morning and tend to leave them on the playground during lunch and afternoon recess. Please make sure to label your child's clothing and check with our Lost and Found often for missing items.
