

LOWELL SCOTT MIDDLE SCHOOL PTA

Helping our students and staff

_____ Yes, I want to be a **member!** \$10 annual fee: <https://www.paypal.me/LSMSpta>
or bring cash/check to office

_____ I love to **volunteer** my time! (Send your contact information to lsms.pta@gmail.com)

_____ I am not able to volunteer but would love to **donate!** <https://www.paypal.me/LSMSpta>
or bring cash/check to office

What student needs have been met with these donations in the past few years?

- Software licenses for math students
- Updated student atlases and globes
- Automation & Robotics parts for pre-engineering program
- Lab sensors and probes, calipers and measuring tapes for science programs
- Sources of Strength funding, foam bats for P.E.
- Tables and chairs for the outdoor mall area
- Dance team uniforms, cheerleading pom poms, sports balls for lunchtime, and other extracurricular activity items that will be used for many years and belong to LSMS
- Math Counts, Spelling & Geography Bees, National Jr. Honor Society, and other academic achievement programs
- And so much more!

LSMS teachers and staff work wonders with the resources they have, and can do so much for our students with what we are able to provide through donations. Each request is reviewed for student need, maximum student coverage, and support of the LSMS mission.

Thanks for your help, and please feel free to contact a LSMS PTA Board Member for more information.
