

**LETTER OF APPLICATION
TUITION KINDERGARTEN 2019-2020**

Dear Parents,

Several schools in the district offer a Tuition Kindergarten program. It is offered at schools if classroom space is available and there is sufficient enrollment to have 20-23 children to participate in the program. We are pleased to announce we will be offering this program for the 2019-2020 school year.

Tuition Kindergarten is an extra session of kindergarten available to patrons who wish to pay tuition. This is a monthly rate that will be \$300.00 per month. A \$100.00 deposit is required to secure a spot for your child. Only the first 23 deposits are guaranteed a spot in the program. The \$100.00 becomes non-refundable and is applied to the last month's tuition payment.

If you wish to be on a waiting list for the program, you may fill out this form and return it to the secretary. When an opening occurs, you will be contacted and given the opportunity to enroll at that point in time. A \$100.00 deposit is required once you accept enrollment in the program.

Curriculum for Tuition Kindergarten is separate from the regular kindergarten program. The curriculum is focused on providing students with expanded language arts experiences through drama, speaking, writing, and reading, and enrichment for math, science, social studies, and general knowledge. Just as in the traditional Half-day kindergarten sessions, your child will participate in P.E., Music, Computer, and Library.

To be eligible, students must meet the age requirement of 5 years of age on or before September 1, 2019. Busing is available for those who qualify (live in the Mary McPherson Elementary attendance boundaries). Parents will be asked to provide snacks for Tuition Kindergarten students. Other cost to consider are: lunch (cold lunch from home or purchase lunch tickets), and a supply fee (\$30.00 for milk and supplies).

To enroll in the Mary McPherson Tuition Kindergarten Program, please complete the bottom of this form and submit with your NON-REFUNDABLE \$100.00 deposit.
