7. **DEBARMENT AND SUSPENSION (Executive Orders 12549 and 12689) CERTIFICATION:**
A school food authority is prohibited from contracting with a company or individual that has been debarred or suspended in accordance with 2 CFR Part 200. This prohibition does not extend to contracts in existence at the time of the debarment/suspension or to most contracts under $100,000. Rather, it applies to new contracts and extensions or renewals of existing contracts of $100,000 or more and to contracts for audit services, regardless of amount. This prohibition does not apply to proposed debarments.

Contractor will immediately notify the School Nutrition Services Supervisor if Contractor is debarred or placed on the Consolidated List of Debarred, Suspended, and Ineligible Contractors by a federal entity.

To ensure that a school food authority does not enter into a contract with a debarred or suspended company or individual, each school food authority must require that each responsive bidder include a certification statement with each bid on each contract. By signing the certification statement, the bidder certifies that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred, or suspended by a Federal agency. It is the responsibility of each bidder to sign the certification statement and submit it with any bid.

A school food authority may rely upon the certification statement submitted by a bidder unless school food authority personnel know that the certification is in error. In such cases, the school food authority should contact the State agency for confirmation of the bidder’s status relative to debarment and suspension.

Please see and complete Attachment 4.

8. **COLLUSION STATEMENT:**
Bidder must certify that the bid is genuine and not sham or collusive or made in the interest or behalf of any person not herein named, and that the Bidder has not directly or indirectly induced or solicited any other Bidder to put in sham bid or any other person, firm, or corporation to refrain from bidding, and the Bidder has not in any manner sought by collusion to secure for himself an advantage over any other Bidder.
9. LOBBYING CERTIFICATE:
Per CFR 7.3018-A Lobbying Certification and Disclosure must be completed for all bids $100,000 and over.

Please see and complete Attachment 4.

10. BUY AMERICAN COMPLIANCE:
As a sponsor of the School Nutrition Programs the District will consider only applicable products which comply with the requirements of the "Buy American" Act.

Contractor must comply with the William F. Goodling Child Nutrition Reauthorization Act of 1998 (7 CFR 210.21) which requires that schools and institutions participating in the School Nutrition Programs in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for the use in meals served under the programs.

The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States.

The report accompanying the legislation stipulated that "substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

It is the District's intent to strictly adhere to this law. Decisions to the contrary shall be the District's responsibility. By submitting and signing this proposal/bid, the bidder acknowledges and certifies that his/her company complies with the Buy American Provision that the food delivered is of domestic origin or the product is substantially produced in the United States. If the bidder is unable to certify compliance with the Buy American provision, the bidder shall state this in his/her response and provide an explanation as to why it cannot certify compliance. 14. ERRORS IN BIDS/RELIEF FROM BID:
Bidders or their authorized representatives are expected to carefully examine all documents in the solicitation to obtain knowledge of existing conditions, limitations and requirements before submitting bids. In case of error in extension of the prices in the bid, the unit price shall govern at the discretion of the Purchasing Agent.

15. PREPARATION OF BID:
Before submitting a bid, the Bidder shall thoroughly familiarize themselves with all Terms and Conditions and any addenda issued before the Bid Closing. Bidders are expected to examine the specifications and all instructions of the bid. Failure to do so will be at the Bidder's risk. Each Bidder shall furnish the information required by this bid. The Bidder shall print or type his/her name on the bid and each continuation sheet on which he/she makes any entry. No erasures are allowed and any changes must be struck through and initialed by the person signing the bid with the corrections thereafter.

Envelopes must be sealed and clearly marked on the outside "Sealed Bid". Bids submitted via "Express/Oversight" carriers. Express Mail, or other services which require the use of special, carrier supplied shipping envelopes must be sealed in a separate, inner envelope identified with the label supplied on the last page of this document and enclosed within the carrier's shipping container which must also be marked "SEAL BID".
