Goal Map

On the pirate map below create a "treasure map" illustrating your journey towards achieving one of your two S.M.A.R.T. goals written on page 16. At the top "X", draw a pictorial representation of where you are today. Using your action plan, indicate the five steps you have planned to help you get to your goal. The bottom "X" should have a picture of you accomplishing your goal. Please write a brief description under each image. Your S.M.A.R.T. goal must be included on your map.
