THE BOTTOM LINE

Face it...
Nobody owes you anything.
What you achieve, or fail to achieve in your lifetime,
is directly related to what you do,
or what you fail to do.
No one chooses his or her parents or childhood,
but you can choose your own direction.

Everyone has problems and obstacles to overcome,
but they, too, are specific to each individual.

NOTHING IS CARVED IN STONE!

You can change anything in your life,
if you want to badly enough.
Making excuses will achieve nothing.
Those who take responsibility for their actions
are the real winners in life.

Winners meet life’s challenges head on,
knowing there are no guarantees,
and they give it all they’ve got.

Never think it’s too late, or too early to began...
Time plays no favorites.
It passes whether you act or not, so

TAKE CONTROL OF YOUR LIFE!

Dare to dream and take risks....
Challenge Yourself - Strive for Greatness - Compete.
Because if you aren’t willing to work for your goals,
You will never achieve them...

BELIEVE IN YOURSELF!!!
