4. Select Discovery Education

Home > Parents and Students > Educational Apps

### Educational Apps

The icons listed below are links to some of the programs that students use at school and are available for student use at home.

Please note that not all students will have access to all apps. Some of these apps will be used by specific grades, courses and schools. Your teacher will provide information as to which apps your student is using.

[Click here](#) for information about these programs and student usage as they relate to COPPA guidelines.

5. To Login from home:
  - a. Login: Student Network Login followed by [@westada.org](https://westada.org)
  - b. Password: Student Network Password

6. Student Network Logins and Password have been changed this year. Please see below for new Network Login and Password credentials

**New Student Login Conventions for WASD**

Student account names are created using PowerSchool data and are generated using the student's first initial, followed by the first four letters of the student's last name, and then the last four numbers in the student's PowerSchool ID.

Examples:

First Name	Middle Name	Last Name	PowerSchool ID	Login Name
John	Edward	Doe	20112345	jdoe2345
John	Edward	Walker	20112346	jwalk2346
Jane	Elizabeth	Walker	20112347	jwalk2347

Password:

Lower Case first initial and  
Upper Case last initial plus the  
PowerSchool Student ID.

Example John Doe, Student  
20112345; jD20112345
