

Dear Parents,

August 26, 2021

Hello, and welcome to third grade at Chaparral Elementary School.

As your partner in education, I believe open communication between teachers, parents, and students are extremely important. I will keep you informed with classroom newsletters, notes in agendas, phone calls, emails and daily folders.

Daily folders (yellow) are simply a folder your child will bring home each day. The folder will contain papers completed, notes, and/or homework. Please review the papers with your child and have her/him complete any homework. Return the folder every day.

At Chaparral, all 3rd, 4th, and 5th grade students have an agenda book. These books will come home each afternoon and will be returned each morning. Your child will write notes of homework or other important information inside (we do this together at the end of the day). Please initial each day after your child has completed the tasks listed. Please encourage your child to be responsible for carrying it back and forth each day. Rewards will be given to those that return them each day and have them initialed.

Also, laptops need to be carried back and forth each day. Students must charge them at home so they are ready to be used at school.

Here is our daily schedule:
