

ID CARDS

Students have been asked to wear their ID cards every day, so they are visible to staff. ID cards will be used to check out books from the school library, charges lunches from their accounts, and access the building, including moving between the main building and the auxiliary gym. All staff and students are wearing ID badges every day as part of our increased security measures. Visitors will be issued temporary badges to wear each time they come to school.

8th Grade Reality Town

Reality Town will be held on **Thursday, November 21st** in the Auxiliary Gym.

Reality Town is a real life “simulation,” where 8th graders are given a job, salary, and family and must visit various “businesses” to make important decisions about living accommodations, transportation, child care, groceries, etc. The goal of this

simulation is to teach students about some of the realities of life and help them connect the importance of education as a means for better employment opportunities and greater financial stability. **We need lots of**

volunteers to make this event run smoothly. If you, or someone you know, is available to help, please contact the LSMS Counselors at 350-4060.

The American Academy of Pediatrics recommends these immunizations be given between the ages of 11 and 12 so now is the perfect time to schedule an appointment to get these immunizations completed to protect your child and make sure that they meet the requirements of Idaho law!
