

What is a School-Parent Compact?

A School-Parent Compact, developed by our school staff with family input, is part of our Parent Involvement Plan.

The compact outlines how families, the entire school staff, and students share the responsibility for academic achievement and student success at Chief Joseph Elementary School.

The compact helps us build a partnership to support students in achieving Idaho's high standards.

Goals for Student Achievement

We want our students to be successful learners in all subjects! Proficiency in reading, writing, and math is measured by the ISAT (Idaho Standard Achievement Test) and the IRI (Idaho Reading Indicator).

At Chief Joseph, we teach our students to persevere, self-motivate, collaborate, question, reflect, and create in order to be the best learners they can be!
