LCMS Common Grading Policy

Learning is a process. Assignments and assessments are valuable components in mastering content and demonstrating understanding.

It is expected that assignments will be turned in by the established due date.

Late work is NOT accepted.

It is expected that students study and are prepared for assessments as scheduled.

We expect that students will be committed to their studies while at Lewis and Clark middle School. We have an expectation of high work quality and positive attitude and effort. Timeliness is crucial to student success, as is the coordinated effort from parents, teachers and students.

Grading:

- 50% Quizzes and Tests
- 30% Choir Performances/Evaluations
 - Full attendance to our after school concerts is expected
- 20% In Class Notes, Worksheets and Projects

Steps to take for questions on grades: 1st step- talk to your student, 2nd step- encourage your student to talk to me, 3rd step- e-mail or call.
