**INTRODUCTION**

The purpose of this RFQ is to create a list of no more than three (3) preapproved construction materials testing and special inspections firms for a period of two (2) years with whom WASD may contract for a variety of projects. Construction materials testing and special inspection service firms selected by this RFQ process will be utilized for projects where the individual project fee is anticipated to be less than twenty-five thousand dollars (\$25,000.00).

WASD reserves the right to negotiate with any of the three (3) selected firms, regardless of ranking order. WASD shall endeavor to: 1) Select the firms that are the most advantageous in accomplishing the goals of the WASD, 2) Select the firms most qualified to meet specific project requirements, 3) Evaluate each firm’s ability to deliver services within the time required by the WASD, 4) Not place an unreasonable workload on any individual firm.

The WASD reserves the right at any time to issue an individual project RFQ that falls within the parameters of this Construction Materials Testing and Special Inspection RFQ without prejudice to the provider selected under this RFQ.

Construction materials testing and special inspection companies interested in larger projects with fees over \$25,000.00 need not respond to this RFQ as such larger projects will be announced by individual project RFQ pursuant to Idaho Code §67-2320. All applicants, whether having submitted a response to this RFQ or not, will have the same opportunity to respond to individual project RFQ’s.

Typical projects may include, but are not necessarily limited to, new facility construction, remodels, additions, roofing, paving, and site improvements. Testing and inspections will include, but are not limited to, compaction, soils, masonry, concrete, steel, asphalt, and asbestos.

Per Idaho Code Sections 44-1001 and 44-1002, it is provided that each Contractor “must employ ninety-five percent (95%) bona fide Idaho residents as employees on any such contract except for procurement authorized in Section 67-2808 (2), Idaho Code, or where under such contracts fifty (50) or less persons are employed the contractor may employ ten percent (10%) nonresidents, provided, however, in all cases employers must give preference to the employment of bona fide residents in the performance of said work, and no contract shall be let
