IDAHO/NATIONAL SEX OFFENDER REGISTRY

Idaho Code §18-8329 prohibits any person who is registered or required to register under the Idaho Sex Offender Registration Act from being on school property if the person has reason to believe children under the age of 18 are present. West Ada School District Policy 504.81 reads, in part:

State law prohibits a person who is currently registered or is required to register under the sex offender registration act to be on or remain on the premises of a school building or school grounds, or upon other properties posted with a notice that they are used by a school, when the person believes children under the age of 18 years are present and are involved in a school activity or when children are present within 30 minutes before or after a school activity.

As a provider of goods and/or services to West Ada School District, your company and those in your employment are subject to this law and district policy.

Please sign and return this letter confirming to the District that your company will prohibit any persons in your employ who are registered or required to register under the Idaho Sex Offender Registration Act from participation in company business with the District if such participation would require them to be present on school property. Further, by signing, you confirm that you have cross checked such employees against the Idaho Sex Offender Registry and the National Sex Offender Registry found at the following web links:
