

## **Transition Resources for Families of Students Who Need More Supports** (SSI, Guardianship, Conservatorship, DD Services)

### **Idaho Health & Welfare Adult Developmental Disabilities Care Management**

The goal of the Adult Developmental Disabilities Care Management Program is to assist adults with developmental disabilities in getting the right care at the right place at the right cost with the right outcomes. Site includes information, processes and resources, including A Step-by-Step Guide to Applying for services.

### **Autonomy, Decision-Making Supports, and Guardianship**

The personal autonomy, liberty, freedom, and dignity of each individual with intellectual and/or developmental disabilities must be respected and supported. Legally, each individual adult or emancipated minor is presumed competent to make decisions for himself or herself, and each individual with I/DD should receive the preparation, opportunities, and decision-making supports to develop as a decision-maker over the course of his or her lifetime.
