

### **Living Independence Network Corporation (LINC)**

LINC is southwest Idaho's Center for Independent Living (CIL) and promotes the Independent Living Philosophy, the idea that people with disabilities, like all Americans, have a voice and rights and should have equal access to things like housing, employment, education, health care, voting, community services, transportation, etc. and live as independently as they choose.

---

#### **The Information & Referral Program at LINC helps people locate resources including (but not limited to):**

- *Housing*
- *Employment*
- *Health Care*
- *Transportation*
- *Community giving programs and benefits*
- *Recreation and community integration*
- *Informative workshops and events*

#### **The I&R Program at LINC can also refer people to our local experts on the following topics:**

- *Work Incentives and Benefits Counseling for workers w/disabilities*
- *SSI, SSDI, Medicaid, Medicaid for Workers w/ Disabilities, etc.*
- *Discrimination, equal/civil rights, accessibility and similar issues*
- *Special Education, Individual Education Plans, etc.*
- *Self-advocacy*

#### **LINC also provides:**

- *Individual and systems advocacy*
- *Peer support*
- *Transition services for students*
- *Personal Assistance Services for people who choose self-direction*
- *Durable medical goods lending/donation library for wheelchairs, walkers, canes and crutches, motorized chairs, etc.*
- *Accessibility ramp loan and purchase program*
- *Assistive Technology loan program for people with hearing impairments*
