WELCOME BACK!

I would just like to start off by welcoming you back! I am so excited to have your student in my class this year! A quick introduction, my name is Miss Allen. This will be my fourth year teaching third grade and I am really excited. Third grade is a great year and there is so much fun curriculum for the students to learn.

I have talked to a few parents already but, I know sometimes the supplies list online isn't accurate. To help you save a little time and money here is what your child will need in my class: 1 notebook, crayons, markers, glue, water color paints, wide-ruled paper, tissues, ruler, pencils, and scissors. Throughout the year I might reach out if there are other small items needed in the classroom. I will let you know. As far as supplies goes, please feel free to bring them with you to Meet the Teacher night, if your child does not want their items mixed up, writing their names on the packages with sharpies is a great idea!

Last year, I had a board in the classroom where I would occasionally update students pictures from home. I will send you plenty of notice, however, if you could help me with this it would be greatly appreciated. I found out

last year when the kiddos didn't have their photos from home they were super bummed. To start off I would like to fill the board with one baby picture of each child. Please choose a school appropriate picture of your child and email it to me prior to the first day of school. I would greatly appreciate it, and I know the students will enjoy it also!

If you have any questions feel free to reach out to me. I look forward to meeting all of you!
