

MEMORANDUM

DATE: August 20, 2019

TO: Dr. Mary Ann Ranells, Superintendent
Board of Trustees

FROM: Mike Carrithers. Purchasing Agent *Mike Carrithers*

RE: BID 923101: Synthetic Turf Field at Centennial High School

An invitation to bid for the **Installation of a New Synthetic Turf Field at Centennial High School** was distributed and advertised pursuant to Idaho code 67-2805 and District policy 802.50. Bid packets were sent to local known vendors.

Bid results are as follows:

Diamond Contractors		\$809,460.00
BriCon, Inc.		\$855,000.00
Winspear Construction		\$953,038.00
Hellas Construction		\$970,965.00
Capital Paving	Non-Responsive Bidder	\$767,500.00

Capital Paving does not possess the required Idaho Public Works License in category 02790, Athletic and Recreational Surfaces rendering them a non-responsive bidder.

After reviewing the scope of work for this project, which includes access improvement to the bleachers, improvements at the pole vault pits and other work, we have decided to change the scope of the project. We will remove the items that require more immediate attention and do them sooner rather than later (the turf project is scheduled to be completed summer of 2020). Therefore, it is our recommendation that the Board reject all bids. We anticipate rebidding this project again in the fall.

Thank you.
