

Addendum

DATE: December 5, 2019
TO: Bidders
FROM: Mike Carrithers, Purchasing Agent
RE: **Addendum 2 – Bid 934401 Propane Fuel Supply**

ITEM 1: In Addendum 1 we responded to a pair of questions concerning assumption of costs for site work, crash protection, electrical work and permitting. In that addendum we identified these responsibilities as being those of the student transportation contractor.

We are changing our position on these costs. We want these costs to be assumed by the awarded vendor and would like those costs to be built into the cost of the propane as a component of the **CONSTANT** figure used to calculate the price per gallon.

ITEM 2: We are extending the closing date for this bid two days to Thursday December 12, at 2:00 PM MST.
