RE: BID #000901-Disposal of Surplus Personal Property-Dairy Equipment

---

An invitation to bid for Disposal of Surplus Personal Property-Dairy Equipment was distributed and advertised according to Idaho code 33-601 and District policy 803.20. Bid packets were available via the Internet and at the West Ada District Service Center.

There was only one bid received in the amount of \$2,500.00, which is below the appraised value of the total lot of equipment. The bidder is a local dairy farmer who has been interested in the surplus equipment to use at his dairy to support his increase in milk production.

It is our recommendation that the bid for the surplus equipment be accepted, despite it being below appraised value.

Thank you.
