

## MEMORANDUM

DATE: March 2, 2020

TO: Dr. Mary Ann Ranells, Superintendent  
Board of Trustees

FROM: Devan Delashmutt, Chief Technology Officer

RE: RFP 004401: Wireless Access Points

---

A Request for Proposals for Wireless Access Points for Pleasant Valley Elementary School was distributed and advertised pursuant to Idaho Code 67-2806A and District policy 802.50. Bid packets were sent to local known vendors and advertised on the Universal Service Administrative Company's (USAC) website. Respondents were given the opportunity to submit proposals for multiple solutions. This network equipment will be used to ensure teacher and student computers can access adopted curriculum resources on the District's network and on the Internet.

Proposals were received from the following firms:

COIMPUNET CISCO 2802 SERIES  
COMPUNET CISCO 9120 SERIES  
COMPUNET CISCO 9120 SERIES WITH 9800 SERIES CONTROLLERS

The proposed equipment was evaluated using the following rubric:

- |  |           |
|--|-----------|
| • Price of (E-Rate) eligible goods and services                        | 30 Points |
| • Compatibility with existing District infrastructure                  | 25 Points |
| • Manufacturing Support, including website, online chat, phone, e-mail | 20 Points |
| • References   | 15 Points |
| • Price of ineligible goods & services                                 | 10 Points |
