In following guidance from the Centers for Disease Control and Prevention (CDC), the District requires that Contractors, and their subcontractors, are responsible for taking all reasonably practical measures to prevent the spread of COVID-19. This will include following social distancing guidelines where practical, the wearing of a Face Covering (mask) in settings where social distancing measures are difficult to maintain, use of stringent hygiene measures, encouraging employees that are sick to stay home, limiting meetings that require close contact, practice respiratory etiquette, including covering coughs and sneezes, and discourage workers from using other workers' phones, tools or equipment where possible.

Each bid exceeding \$50,000 must be accompanied by a bid bond with a surety company licensed to do business in Idaho or a certified/cashier's check drawn on an Idaho Bank in an amount not less than five per cent (5%) of the total bid, made payable to West Ada School District. In the event of the successful bidder's failure to execute the contract, this bid surety may be forfeited to West Ada School District at the sole discretion of the Board of Trustees.

The Board of Trustees of West Ada School District reserves the right to disregard all non-conforming, non-responsive or conditional bids, to waive any minor informality/irregularity, to reject all bids, or to accept the bid or bids it deems best.
