

What is a School-Parent Compact?

A School-Parent Compact for achievement is an agreement that explains how parents, students, teachers, and principals will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

This document is part of our Parent Involvement Plan and was jointly developed with Summerwind staff and parents. School-wide meetings are held each year to review the compact.

Together we will build a partnership for students to achieve high standards.

Activities to Build Partnerships

Summerwind STEM Academy will provide opportunities for families to be involved in student and parent learning through activities such as:

- Parent Information Night - September
- STEM Night: Math focus - November
- Kinder Camp – February to May
- Read Month - March
- STEM Night: Engineer focus - May

These activities will be advertised in classroom newsletters, the school newsletter *Bits and Bytes* and the reader board in front of the school. Please be watching for exact dates of the events. We look forward to being a part of your child's learning.

Summerwind STEM Academy

2021 - 2022

• • • •

All students will learn at high levels through the lens of a STEM mindset.

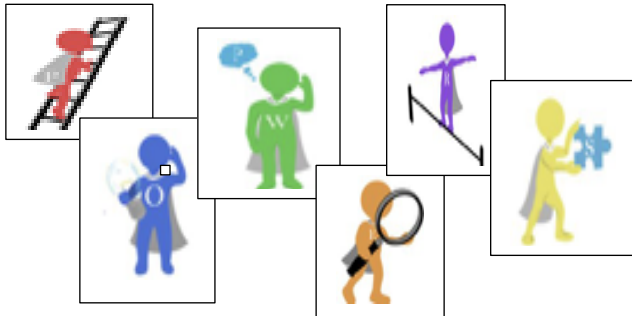

Summerwind Goals for Student Achievement:

Students will show growth on the Idaho Reading Indicator (ISIP) and the Idaho State Achievement Test (ISAT) in both English Language Arts and Math.

Visible Learning & Learning Dispositions

Visible Learning is all about children taking ownership of their learning. Learning dispositions are the way in which learners engage in and relate to the learning process. The learning dispositions Summerwind students use to be successful learners are:

- P** - Persevere
- O** - Ownership
- W** - Wonder
- E** - Engaged
- R** - Risk Taker
- S** - Solver of Problems

Teacher/School Responsibilities

We are dedicated to teaching all standards to your child using meaningful lessons and activities. Our goal is to build and maintain a strong reading, writing and mathematics understanding in each child. We will:

- Be aware of your child's needs.
- Communicate regularly with parents about student's progress, information about the classroom, and ways to support academic growth at home.
- Help students set and achieve academic and behavior goals.
- Create a high reliability school (HRS) by continuing to maintain a safe and collaborative culture (level 1) and develop effective teaching in every classroom (level 2).

Student Responsibilities

Students play an important role in ensuring their educational success. In order to achieve progress, students will:

- Follow the Summerwind Code.
- Complete learning tasks and read daily.
- Set and work on academic and behavior goals
- Use Summerwind Learning POWERS.
- Give parents all information sent home from school.

Family Responsibilities

Student success is dependent on support both at school and at home. Families will:

- Make sure children are punctual and present at school.
- Review and discuss Summerwind POWERS and Code with your child
- Read and review all school communication including newsletters and emails.
- Establish a place and time for daily reading.
- Attend parent-teacher conferences.
- Be involved in school events.
- Check school's and classroom teacher's website for information.
- Celebrate your child's successes, offering praise and encouragement.
- Keep all contact information current in PowerSchool.
