

Summerwind STEM Academy

Title 1 Program

What is School-Wide Title 1?

- Title 1 is a federal program that offers additional funds to qualifying schools.
- To have a School-Wide Title 1 program, at least 40% of students must receive free and/or reduced meals.
- Title 1 funds are used to hire Title 1 teachers and additional staff to help students with academic needs, purchase intervention and enrichment materials for the classroom, provide professional development opportunities for teachers and support family engagement activities.

FOCUS:

Title 1 identifies students most in need of academic support and sets goals for improvements.

Collaborate

Title 1 works with Response to Intervention (RtI) Team when concerns arise with student's progress.

How can parents help?

..Join the PTO
..Attend Parent Teacher conferences and Family Engagement events.
..Work with your child at home on homework and online learning.
