Hailey – 5/6 Alexis – 5/12 Alexa – 6/2 Valeria – 7/4
Kylee – 7/22 Fenella – 7/23 Violet – 7/30 Linden – 8/17

Some of what we are learning this week:

| Reading | Writing | Grammar | Math | Science | ID History |
|---|--|---|---|--|--|
| Students are reading novel club books and we are working on our pioneer identities. | We will finish our artist statements for Arts Fair and start our pioneer journals. | We will work on our grammar within our pioneer journals while on the trail. | We will review this week factors/multiples and perimeter/area and conversions. These are what most struggle with. | We will finish the vertebrate groups this week and solar system next week. | We will finish our economics discussion & work on our pioneer identities/journals. |

Spelling Words

 No Spelling this week.

 We will work on spelling within our pioneer journals.

Vocabulary

 We will focus on science vocab.

 We will also focus on our classification vocabulary: vertebrate, invertebrate, mammal, bird, fish, reptile, amphibian.

Grammar

 We will work on grammar as we writing in our pioneer journals.

Writing

We will focus on finishing our artist statements for our Arts Fair installment pieces and our pioneer journals.
