### Sports Substitution/PE Credit Waiver

Idaho Code, Rules Governing Thoroughness, IDAPA 08.02.03, allows student athletes who actively participate in one season of any extracurricular sport recognized by the Idaho High School Activities Association (IHSAA) to count participation in said sport for up to one credit waiver of physical education (PE). This includes Freshman through Varsity teams. In order to receive this PE credit waiver the student must have completed the entire season in good standing (**active physical participation the entire season**). This will be considered a waived credit not an earned credit. Student will still be required to obtain the total number of credits required for graduation at their school. Participation must be verified by the team coach and the school's activities director. **In order for a waiver to be granted, this form must be completed and on file in the counseling office within two weeks of the completion of the season.**

Student Name: \_\_\_\_\_ Home School: \_\_\_\_\_
