Jan 4th~ School Resumes

\*remember Mondays are early release at 2:10

### Sight Words:

- |          |             |
|----------|-------------|
| 1. was   | 2. read     |
| 3. draw  | 4. pictures |
| 5. write | 6. after    |

### This Week

\*Please send your student with a water bottle.

\*It's starting to be that time of year again, please send your students to school with a warm sweatshirt or jacket.

\*Please remember to be reading every night at least 15 min.

\*Please make sure you are visiting with your kiddos about their behavior at school. It really helps me if they know you know how they are acting at school. You can see behavior points on class dojo everyday! Thank you for your continued support in doing everything we can to support these kiddos in making their education a success!

Thanks Mrs. Moulton

### Math

In math this week we are working on related number sentences in subtraction.

The students are starting to become fluent and make great connections when solving math problems!

\*Please continue to have your student work on Zearn lessons at home if they are behind. This week we will be working on lessons up through 8. By Friday they should be to lesson 9. Thanks for your help with this.

### Social Studies

We are also talking about Christmas around the world for the next couple of weeks before break. We will be talking about different traditions, foods and of course Santa's from different countries around the world!

**Ask your student about A Cupcake Party!**
