Writing

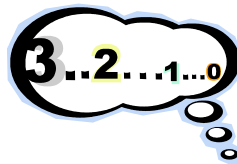

Each week we will be writing in our journals as well as focusing on a specific grammar topic.

Grammar: Commands and Homophones

Sight Words:

- | | |
|----------|----------|
| 1. never | 2. own |
| 3. very | 4. brown |
| 5. off | 6. know |
| 7. been | 8. out |

This Week

Social Studies

We will be discussing MLK day and Presidents day these next two months.

Math

In math this week we are learning about making a group of 10 as a strategy to find a total easier. We will continue to practice strategies to solve addition and subtraction word problems in our math journals as well as fluency pages to help build fluency with addition and subtraction to 10.

*It's cold and we will have outside recess, please send your students to school **with a warm jacket and snow boots when there is snow.** We can't do anything when our feet are wet and cold.

*Please let me know if you need assistance for winter items. Our community school has resources to help.

*Remember to send December reading logs in. Students who do, will receive a book from the book box.

Science

We will continue science about spinning sky and start discussing our next unit.

Thanks Mrs. Moulton

Ask your student about their sight words and help them practice!!
