

# Mrs. Moulton's Class News

Week of March 1, 2020

## Reading

Each week we will have a different focus for reading.

**Story:** Little Rabbits Tale

**Comprehension Focus:**

Cause and Effect

Story Lesson

**Phonics Focus:** compound words

## Spelling Words

This weeks spelling focus will be:

~**compound words**  
(backpack, sandbox, lunchbox, bedtime, sunset, himself, inside, Playpen, bathtub)

## Dates to Remember

Mar. 1st- Mar. 5th ~

Virtual Read Week

See dress up schedule and enjoy listening to teachers read stories on teams!

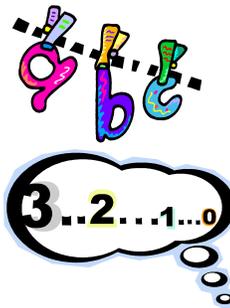

## Sight Words:

- |           |         |
|-----------|---------|
| 1. door   | 2. old  |
| 3. want   | 4. more |
| 5. try    | 6. wash |
| 7. mother | 8. use  |

## Writing

Each week we will be writing in our journals as well as focusing on a specific grammar topic.

**Grammar:** Prepositions and Contractions 're and 've

## Math

We are continuing the unit on place value with bigger numbers. We are working on counting tens and ones using quick tens and ones as a strategy to solve number sentences. The students lessons on Zearn are matched with what we are learning in class for extra practice. For every five lessons they complete they receive a reward of a scratch and sniff sticker. They are excited to do the lessons and work for the stickers which in turn I love because they are learning at the same time! Win win for everyone.

## Science

This week we are going to start a new unit called Plant and Animal superpowers. This unit about plant and animal survival helps students develop the idea that, just like a superhero has special powers, every animal and plant has special parts and behaviors that help them to grow and meet their needs. Lesson 1: Animal Structures and Survival, Why Do Birds have Beaks?

## This Week

\*Don't forget our Read Week Dress up days.

\*Turn in February reading log to pick a book from the book box!

\*Just a reminder that the roaring springs reading log is due by March 31st. Happy reading!

Thanks Mrs. Moulton

**Ask your student about their Zearn lessons and what lesson they are working on? I have fun scratch and sniff stickers to earn!**
